

MEMBERS AND SPECIALISTS BY TOWN

See in what towns GDA members live and practice. Dentists may also use this section to find specialists in your area. The specialties are abbreviated as follows: Endodontist (EN), Oral and Maxillofacial Surgeon (OS), Orthodontist (OR), Pediatric Dentist (PD), Periodontist (PE), Public Health (PH), and Prosthodontist (PR). The other abbreviations you see are CL (clinical or practicing dentist), FA (faculty), GS (graduate student), and RE (retired). Print these pages and place them in your GDA directory as a reference.
