Real Impact on Real Dentists, just like you!

*"I was so frustrated as a business owner with trying to find the right insurance, with adequate coverage, all at a reasonable price for all of our businesses. Michele Amattulli at GDIS did a great presentation at a Southeast District meeting. Afterwards my wife, Elizabeth, and I met with Michele at our office. Michelle immediately went to work helping us organize (a big job), consolidate, and update some of our business and personal policies. I loved what Michele said to our district members, **'GDIS is your company, use your opportunities!'** Thank you so much GDIS and Michele for your help with Powell Dentistry Group. #GDAStrong"*

- Dr. Zachary Powell

"I recently switched my office professional package and my worker's comp plans to GDIS from the carrier I had been with for almost 30 years. GDIS beat my previous carrier on price by about 30%. The transition was very easy. The staff at GDIS quickly responded to all of my requests and handled everything seamlessly.

I would highly recommend calling GDIS for a quote today!"

- Dr. Jamie A. & Suzy Mitchell

I've been buying from a well-known distributor exclusively for around 10 years. The pricing at GDAsupplies.com for a small order with only brand names came out at significantly less than my distributor order that included house brands.

I saved a little over \$200 with just one order! I'm impressed. Probably a little beyond impressed.

- Dr. Heather Colson-Hardy

2023

HELPING MEMBER DENTISTS SUCCEED

We are **GDAStrong!**

As a member of the Georgia Dental Association (GDA), you will be offered a wealth of resources to help you succeed in the dental profession. When you join organized dentistry, you gain access to numerous benefits and resources at the national level (the ADA), at the State level (the GDA), and at your local level.

For 164 years, the GDA has been a professional membership organization comprised of more than 3,600 members. Georgia has seven district dental societies that represent the interests and activities of dentists in those areas. Each district elects its own officers and conducts local meetings, providing you with support and a network of colleagues in your community. The GDA, along with the ADA and your local districts, are a powerful voice on behalf of the profession.

The legislative advocacy actions taken by the GDA protect your profession, practice, and patients; and the GDA's public relations efforts increase awareness and positive perceptions of dentistry. We work daily on your behalf to ensure you are up-to-date on the latest technology and professional developments. When you become a member of the GDA, you also become part owner in GDA subsidiaries such as GDA Plus+ Supplies and Georgia Dental Insurance Services, all available to help you further your career and save you money.

Scan the code to learn more about the GDA governance structure.

We hope this guide gives you a brief overview of the many benefits the GDA has to offer you and we are excited to help you protect, grow and promote your practice.

Legislative Advocacy

Legislation and regulations impact you, your practice, and your patients every day. GDA's Government Affairs team is always advocating on your behalf to ensure you have a strong voice legislatively.

Visit gadental.org/advocacy to learn how you can get involved to protect the profession and get the latest legislative updates from our Government Affairs team.

During the COVID-19 pandemic:

- Worked closely with the Governor's Office, the Georgia Department of Public Health and the Georgia Board of Dentistry to ensure that dentistry was classified as essential healthcare so that Georgia dentists could continue to treat their patients with minimal interruption
- Helped pass legislation granting legal immunity for healthcare providers against COVID-19 transmission claims

Passed key legislation to help members:

- Preserving a healthcare provider's choice to opt-out of receiving virtual credit card reimbursements from insurers
- Ensured that Georgia's surprise billing law preserved a patient's right to seek treatment from an out-of-network healthcare provider and reduced the burdens of compliance on out-of-network providers
- Helped pass legislation to help healthcare providers and patients navigate the pre-authorization process with insurers

Helping rural and underserved patients:

- Secured incremental fee increases to dental Medicaid rates for the past 5 years
- Increased and protected funding for Georgia's Rural Dental Student Loan Repayment Program
- Secured \$85,000 in annual state funding to support the GDA's Donated Dental Services Program for low-income, adult patients with pre-existing medical conditions

Regularly monitoring and attending Georgia Board of Dentistry meetings to provide input on proposed rule changes affecting the practice of dentistry

LAW Days

At LAW Days, members and students can learn about legislative issues impacting dentistry and dental patients over breakfast and then speak to legislators about those issues, encouraging their support and thanking them for efforts on legislation. LAW Days begin in January each year; all members and their spouses are welcome on all days.

**Scan the code to view the
2023 Law Days Schedule**

Action for Dental Health

Georgia's Action for Dental Health, an initiative of the Georgia Dental Association, is a coordinated effort to enhance oral health for Georgia. The goal is to advance comprehensive solutions to prevent dental disease before it starts and ensure that all Georgians can obtain treatment by a dentist.

OBJECTIVE 1

Promote quality, attainable dental care for the uninsured and underserved in Georgia so that all patients have a dental home.

OBJECTIVE 2

Promote oral health education and literacy to mitigate potential barriers to access to a dental home and reduce the public's misconceptions and fears of seeing a dentist.

OBJECTIVE 3

Optimize the capacity of the current dental workforce and availability of publicly funded dental facilities to efficiently serve Georgians with preventative and therapeutic dental care.

OBJECTIVE 4

Continue to advocate and educate policymakers, stakeholders, and the general public on the risks associated with unlicensed/unregulated treatment delivery methods and protect patient safety by only promoting/supporting initiatives that are sustainable, ethical, adhere to the standard of care for dental patients in Georgia, and always involve seeking treatment from a properly trained, Georgia-licensed dentist.

OBJECTIVE 5

Ensure that patient safety remains a priority and that a Georgia-licensed dentist continues to be the head of the dental team and retains authority over all aspects of the practice of dentistry, especially regarding clinical and treatment decisions.

GADental.org

View member-driven content, including events and continuing education courses, marketing tools, legal resources, publications, and explore exclusive member savings through the GDA Plus Program. Visit gadental.org to get access to all of your member benefits.

GDA E-news

Delivered directly to your inbox, this email newsletter keeps members informed with the latest news and information, plus opportunities for savings, benefits, services, and programs from the GDA.

Social Media

Get real-time communication at your fingertips through GDA's social media pages and podcasts. Get updates on industry trends, find events and connect with other members.

Professional Resources

Practicing dentistry in Georgia can be a rewarding and challenging experience with numerous professional, legal and business matters to consider. Whether you are a practice owner, associate, faculty member or you work in public health/government, the ADA and GDA strive to assist you on a national and state level.

Peer Review Mediation

When a problem or misunderstanding arises between a dentist and a patient, your GDA can help. Subject to certain limitations and exclusive to GDA members, peer review mediation is intended to provide a streamlined and confidential process for resolving disputes between you and your patient.

Required Employee Posters

There are many federal and state laws that require dental offices to conspicuously post up to a dozen notices in locations accessible to employees. You can find a comprehensive list of links to government websites for downloadable, free posters at gadental.org/workplace-posters.

ADA Credentialing Service

This service makes it easier to submit and maintain your credentials in one place and allows your information to not only be accessible to you, but also to the participating organizations that you choose.

GDA Job Board

Looking to hire dental professionals into your practice? See page 13 or visit jobs.gda.org.

Dental Recovery Network

It's no secret that balancing work and personal life can be challenging. The Dental Recovery Network is a confidential program that helps dental professionals address stress-related health issues including substance and alcohol abuse.

HIPAA & OSHA Compliance

Stay up to date with ADA compliance kits, multi-annual GDA continuing education courses, Action magazine updates, and endorsed partnership programs.

Contract Analysis Service

The ADA's Contract Analysis Service is offered at no cost to members only and analyzes third-party insurance contracts, including those from managed-care companies, and explains the contract's provisions in clear language so that you can make informed decisions about the implications of participation.

Third Party Payer Concierge Program

This service, which assists dentists with insurance questions and concerns with third party payers, is for member dentists only and can be accessed by calling **1-800-621-8099** or emailing dentalbenefits@ada.org.

The ADA provides education on the nuances of doing business with dental insurance companies and empowers you to make decisions that are best for your patients and practice. Coordination of benefits is a constant source of confusion for many dental offices, and the Concierge will be able to help answer questions and address concerns regarding COB. Another common concern from dental offices involves claim denials. While the Concierge may not be able to get a claim paid for you, it can provide assistance with the appeals process. Lastly, dentists have reported concerns with poorly written explanation of benefits statements and the Concierge can also help dentists with EOB language questions as well.

Continuing Education & Licensure

education & training
GDAsupplies.com

Reminder: 2023 is a License Renewal Year

The Georgia Dental Association's CE courses are recognized and approved by ADA CERP and the Georgia Board of Dentistry. From webinars to in-person options, we strive to create opportunities that help you and your team in a variety of accessible formats and locations across the state.

FOR DENTISTS:

Accessibility to courses needed for board and licensure renewal

- Opioid abuse and/or proper prescription writing in dental practice
(available via on-demand webinar)
- CPR Certification
- LEAP courses- now a licensure requirement, as of 2023-2024
- Clinical CE at our office in Marietta and throughout the state with support from local districts
- Practice management courses designed to improve owner dentists' bottom line
- Risk management and standards of care classes

FOR THE DENTAL TEAM:

Expanded Duties certification courses for dental assistants

- CPR certification
- HIPAA, OSHA and infection control compliance
- Radiation safety courses
- Coronal polishing certification for dental assistants

What's required?

GDA Convention & Expo

**2023 is a License Renewal Year.
20 CE hours available.**

As a GDA member, you receive discounted registration rates for an event that allows you AND your office staff the opportunity to network, earn CE credits, cultivate valuable dental-community relationships and have a little (or a lot) of FUN while you're at it.

SAVE THE DATE

GDA Convention & Expo 2023 July 13-16

Omni Orlando Resort
at Champions Gate

Many, if not all, events and sessions available throughout the weekend are covered through the cost of your convention registration, including:

Continuing Education

With three full days of CE programming for both dentists and dental team members, it is possible to complete nearly all board and licensure renewal requirements in one place.

“Fire-you-up” Kickoff Breakfast

Each year, a nationally-known speaker kicks off your convention experience with an inspiring and high-energy keynote speech. This is also an opportunity for you to hear directly from your GDA leadership before diving into all that the convention has to offer.

**CONVENTION
& EXPO 2023**

GDA
Georgia Dental
ASSOCIATION™

Meet your Practice Providers

The exhibit hall creates an opportunity for you to discover new ideas and products that you can take back to the office, as well as network with more than 90 providing vendors and discuss your top priorities for your practice.

Networking Events

We encourage you to join us for the various events that allow you to relax and get to know other professionals in your industry.

- Welcome Reception
- Happy Hours
- New Dentist Reception
- Family-friendly adventures

Themed Closing Celebration

Saturday night's closing event offers something for everyone, with activities for adults and children, refreshments, and live entertainment - a memorable way to end the week.

Services for Dental Students

Today's dental students are the practicing dentists of tomorrow. The GDA is committed to helping students succeed through programs and services.

GDA Student Advocacy

The GDA/ADA protects and advances the rights, interests and welfare of dental students. We introduce students to lifelong involvement in organized dentistry while also allowing them the opportunity to participate in advocacy efforts, including one delegate and one alternate for the House of Delegates and attendance at Student Law Days, on behalf of the profession.

Access to GDA Insurance and Services

Students have access to GDIS personal lines including home & auto coverage along with special programs for malpractice insurance post-graduation.

Student Loan Relief

The GDA offers student loan consolidation through our endorsed partner, Panacea. Scan the code on page 23 for more information.

Lunch & Learns

On-site Lunch & Learns at the Dental College of Georgia allow students to engage with and hear from member dentists regarding GDA benefits, the importance of organized dentistry and life after dental school.

Scholarships

The Georgia Dental Association provides scholarship opportunities for dental and dental team students to reduce the impact of education costs.

Looking for job opportunities?

The GDA Job Board is an interactive online job board with opportunities for dentists and dental team members, including hygienists, assistants, and office managers. Visit jobs.gadental.org.

Rural Student Loan Repayment

The GDA provides graduating dentists the opportunity to earn student loan repayment options through their service in rural and underserved communities in Georgia.

Georgia Adjunct Professorship Program

This program allows dental students the opportunity to serve a clinical rotation treating patients in Georgia public health clinics located in rural and underserved parts of Georgia under the supervision of a Georgia Dental Association member dentist who serves as adjunct faculty for the dental school.

Leadership Development and Personal Growth

Get involved — make a difference! When you volunteer, you'll help the GDA continue its mission of helping member dentists succeed, while helping yourself succeed, too. Gain leadership skills and help shape the association by becoming an GDA volunteer!

GDA Committees

Serving on a GDA committee helps you give back to the profession and contribute your ideas and expertise!

GDA House of Delegates

Save the dates: July 13, 2023 & December 9, 2023

Be a part of GDA governance where it happens. Each district has positions; apply with your local district.

Leadership GDA

Date & Time TBD

This program provides participants with a better understanding of the GDA's organizational and involvement opportunities while also offering valuable leadership & professional-skills training. There are also numerous opportunities for this group to develop contacts and relationships within other professionals within the dental community.

Spokesperson Training

Save the date: Friday, Nov 3, 2023

As a district leader, you are invited to participate in spokesperson training. The session will prepare you to deliver presentations, handle Q&A like a pro, and approach media interviews with confidence.

District Leadership Conference

Save the Date: December 8, 2023

Each year, the GDA hosts a District Leadership Conference (DLC) to help prepare incoming (2023) district presidents and presidents-elect for their year in leadership. The DLC provides tools for leadership development, a forum for sharing district best practices, and training in effective volunteer management in order to better equip district leaders for success in their positions. Although incoming district presidents/presidents-elect are the primary audience (attendance is mandatory), all district officers are welcome to attend.

Keeping You Informed

Your GDA membership brings you access to the information you need, in print, on the web, via email, and on social media platforms.

GDA Action Magazine

GDA Action focuses on current matters affecting dentists and patients, trends in dentistry, and news and issues of interest, including: professional success and growth, practice management, legislative updates, public service, and community relations.

GDA E-news

Delivered directly to your inbox, this monthly email newsletter keeps you informed with the latest news and information, plus opportunities for savings, benefits, services, and programs from the GDA.

GDA website

View member-driven content, including events and continuing education courses, marketing tools, legal resources, publications, and explore exclusive member savings through the GDA Plus Program. Visit gadental.org to get access to all of your member benefits.

GDA Job Board

See pg. 13

Social Media & Podcasts

Get real-time communication at your fingertips through GDA's social media pages, podcasts and vlogs such as the GDA Minute. Get updates on industry trends, find events and connect with other members.

Your GDA Leadership

GDA publishes an electronic leadership directory that includes GDA state officers, board of trustees, district officers, house of delegates, and committee members. GDA members may log in and view the directory online at gadental.org/directory.

GDA presence at local district meetings

The GDA communicates directly with local district leaders who then relay relevant information directly to its members. District dental associations offer you the chance to share meals, opinions, advice, support, continuing education and family events at local venues with your professional colleagues. Scan the code on page 6 to view the Law Days schedule.

Other ways we connect with you:

- GDA Alerts
- Text Messaging
- Calling Members
- Fax

Promoting the Profession

Through public relations programs GDA proactively educates the media, the public and legislators on the importance of good oral health and regular dental care.

Our current campaign, Healthy Mouth, Healthy Me!, increases awareness of the connection between oral health and overall health, driving consumers to HealthyMouthHealthyMe.org to find a dentist.

Digital ads target Georgians with oral health message.

Media outreach garners public attention and visibility for dentists and the profession. TV and radio spots reach over one million Georgians annually.

Your membership means you're included on the ADA's Find-a-Dentist search tool on mouthhealthy.org.

Scan the code to update your member dentist profile.

Healthy Smiles for Georgians

The GDA Foundation for Oral Health is the philanthropic arm of the Georgia Dental Association. Through financial contributions and volunteerism, the GDA Foundation works to create healthier smiles for Georgians.

Your donations help support:

- Donated dental care for vulnerable populations
- Oral health education in schools
- Community outreach events
- Public awareness campaigns promoting oral health

GDA Foundation for Oral Health programs have provided over \$1.7 million in donated dental care for low-income and vulnerable communities. Equally important, our school-based program provides preventive oral health education that establishes healthy habits for a lifetime of healthy smiles.

Together with our partners we are preventing dental disease, instilling good oral health habits in kids and restoring smiles for those in greatest need.

Scan the code to donate to the GDA Foundation.

GDA Plus+ Supplies

IDBG is owned by you, GDA members. Why wouldn't you do business with yourself and save money at the same time? With over 65,000 products and more than 550 brands this member benefit can offer you savings on items you are currently purchasing as well as discounts on equipment servicing.

New Member Benefit:

GDA+ Supplies is now offering personalized, in-office support for you and your staff. Let us assist you and your team with all of your supply ordering needs. Contact Michele Amatulli at michele@gadental.org or 404.636.7553 ext. 111 for more information.

- Potential savings of 20% or more plus free ground shipping
- All members pay the same low price regardless of order volume
- Products ship directly from manufacturers or authorized distributors - no gray market, expired or counterfeit items
- 10% discount on hourly service calls by statewide independent qualified and experienced service specialists
- Real time ordering now available- See how many items are currently in stock, no surprise backorders!

Take Advantage of the GDA Perks Program

GDA Plus+ Perks program is a member benefit program providing training and certification onsite at qualified dental offices. Qualified GDA members are eligible to receive onsite trainings for:

- Basic Life Support CPR Certification
- Bloodborne Pathogens Management
- Mask Fit Testing

Benefits of IDBG

- GDA Plus+ Supplies vendors must sell products pursuant to manufacturer guidelines.
- Vendors ship exactly what a dentist orders—no alternative brands.
- ALL GDA Plus+ Supplies vendors offer FREE ground shipping on any order, regardless of size.
- Members can access a one-stop, easy to use online portal to order all of your dental supplies (fax or telephone orders are available)
- Members will receive one invoice
- Take advantage of statewide equipment servicing by independent qualified and experienced service specialists, with a 10% discount on hourly service call charges
- Your frequently ordered items can be pre-populated, and the system will remember your ordering history, enabling quick "just in time" delivery to preserve your cash and storage space.

WHO IS ELIGIBLE?

- NEW GDA Members who have joined during 2022 dues
- GDA Members who have cumulatively spent \$100,000 or more since their first order with GDA Plus+ Supplies
- GDA Members who have spent \$20,000 or more in the past fiscal year with GDA Plus+ Supplies

Looking to save even more \$\$?

Shop our direct brand merchandise. Buying direct from the manufacturer rather than through authorized distributors can offer savings you won't find with other dental supply companies - no gray market, expired or counterfeit items. Choose direct brand merchandise

Estimate Your Savings Today

Receive a personalized price estimate by sending a list of frequently ordered dental products using SKU or distributor item numbers via email, phone or fax.

Phone: 844.852.5899
support@GDASupplies.com
Fax: 844.852.4049

Equipment Servicing

GDA Plus+ Supplies members are eligible for a statewide equipment servicing program, available exclusively to GDA Plus+ Supplies members at a 10% discount on the technicians' normal hourly rate.

Repair services are available to GDA Plus+ Supplies members during normal business hours:

Monday - Friday
8:30 am - 5 pm
404.636.7553

If an emergency service request that prevents a member dentist from performing routine patient services occurs during business hours, GDA Plus+ Supplies technicians will ensure that the service issue is responded to immediately.

After Hours & Weekend Service

For after-hours/weekend service requests, information on rates/billing and direct contact information for service technicians, please visit www.GDASupplies.com. You will need your member number to log-in.

Peace of Mind through Quality Insurance Plans - Because Coverage Matters

Georgia Dental Insurance Services, a full-service insurance agency owned by the GDA, is your connection to quality programs, group savings, and individual service geared to your special needs as a dentist. Access to unique coverage enhancements and exclusive insurance programs is a key benefit of your GDA membership. Call 770.395.0224 or visit gdaplus.com to learn more about these great member programs:

Health Insurance

POS Plan through Anthem/Blue Cross

- You must be a GDA member to participate or offer this health plan to your staff
- Available to you and your staff
- You do not have to be on the health plan yourself to offer it to your staff
- You can contribute towards your employees premium or GDIS can bill your employee directly
- Broad network coverage NO surprise bills with narrow networks

Professional Liability Insurance

Medical Protective, AAA+ Berkshire Hathaway Company

- Claims Made and Occurrence Policies Available
- 90% Trial Win Rate and 80% of Claims are Closed Without Payment
- Pure consent provision gives you control to refuse to settle a claim

Business Insurance

The Hartford Insurance

- By combining some of the most important coverages small business owners need, including Business Liability, Business Property, Data Breach (Cyber), EPLI and Business Income, a Business Owners Policy can save you money while helping to safeguard what you've worked hard to build. It also provides an easy way to purchase optional, additional coverage tailored to your business.

Workers Comp Insurance

The Hartford Insurance

- Required in Georgia if you employ more than 3 employees
- Discounts available when multi policies are written

Life and Disability Insurance

- We shop premiums through all major carriers so you don't have to; ensuring you are paying the best rate available!
- Key Man, Critical Illness, long term care and final expense coverages available
- Special Rates Available to Dental Students and Dentists in a Residence Program

Medicare Supplement Policies

Anthem

- Your GDIS representative can assist you through the transition of coming of a standard health insurance plan and onto Medicare
- Typically Medicare will cover 80% and you would be responsible for the difference. Purchasing a supplement will cover this difference.

Personal Lines Insurance:

Home, Auto, 2nd home, Umbrella, Jewelry, Classic Car, Boat, Jet Ski, RV and Pet Insurance

- Available for you, your family, your friends and your staff
- In-office Lunch and Learns available
