4. BEST ADVICE FOR A DENTAL STUDENT

Stay curious, keep learning, and develop strong communication skills. Build a support network through mentors and peers to navigate the challenges and rewards of dentistry.

5. SURPRISES IN FIRST YEARS OF PRACTICE?

"In my first year of dentistry, I was surprised by how important communication is alongside technical skills. Building trust, easing patient anxiety, and listening to concerns became as crucial as the clinical work itself."

6. WHAT WOULD YOU SAY YOU DO FOR A LIVING, WITHOUT SAYING "I'M A DENTIST"?

"I work in healthcare, diagnosing and treating dental conditions to improve patients' oral health and confidence. It's a rewarding job that blends science, artistry, and making a real impact on people's lives."
